HOPESPRING
FOUNDATION SCHOOL

2025 - 2026

HOPESPRING FOUNDATION SCHOOL

PORT HARCOURT, RIVERS STATE, NIGERIA.

OUR VISION

We hope to be a school that will provide a functional and multi-dimensional quality education in a safe and secured environment.

OUR MISSION STATEMENT

We at Hopespring Foundation School create Laughter, Love and Learning by providing quality child care for tomorrow's futures.

OUR PROMISE

Hopespring Foundation School understands that every child is his or her unique person. In respecting this, we provide a safe and positive environment in which each child can discover, in his or her own way, the magic of learning and the joy of growing up.

We intend to make HFS your child's special home away from home.

A YEAR TO REMEMBER, A FUTURE TO EMBRACE

Dear Hopespring Family,

As another remarkable academic year draws to a close, I find myself reflecting with profound gratitude on all that we have experienced, accomplished and celebrated together. Every school year tells a story, and the story of the 2025/2026 academic session is one of vision, purpose, perseverance and extraordinary growth.

FIRST TERM: GROWTH • GRIT • GREATNESS

Growth reminded us that learning is a lifelong journey and that every child possesses incredible potential waiting to be discovered and nurtured. We challenged our pupils to stretch beyond their comfort zones, to ask questions fearlessly and to embrace new opportunities with confidence.

Grit taught us that true success is rarely instant. It is cultivated through perseverance, resilience and determination. We celebrated not only achievement, but effort. We applauded every child who refused to give up, who chose to try again after disappointment, and who discovered that challenges are often life's greatest teachers.

Greatness became our destination—not greatness measured merely by awards or examination scores, but greatness of character, compassion, integrity and purpose. Our children learned that excellence begins with the choices they make every single day.

SECOND TERM: PURPOSE • PERSEVERANCE • PROGRESS

We encouraged every child to understand that education is far more than preparing for examinations; it is preparation for life. Every lesson, every project, every performance and every sporting event became an opportunity to discover purpose and develop confidence.

Perseverance reminded us that worthwhile goals demand patience, discipline and consistency. Our learners learned to keep moving forward, even when the path became difficult.

The reward was evident in the progress we witnessed—not only academically, but emotionally, socially and morally. Children who once hesitated began leading confidently. Quiet voices became confident speakers. Curious learners became independent thinkers. Friendships deepened. Leadership blossomed. Confidence flourished.

THIRD TERM: REFLECTION • RESILIENCE • RESULTS

Reflection encouraged us to celebrate our successes while honestly identifying opportunities for further growth. It reminded us that learning never truly ends.

Resilience became one of the defining characteristics of the Hopespring child. Our pupils learned to adapt, recover from setbacks and continue pursuing excellence with courage and optimism.

The results we celebrate today extend far beyond examination grades. They are reflected in children who demonstrate empathy, confidence, leadership, curiosity, creativity, responsibility and unwavering hope for the future. These are the outcomes that matter most, because they prepare our children not only for secondary school, but for life itself.

OUR EXTRAORDINARY STAFF

To every teacher, administrator and support staff member, I offer my heartfelt appreciation. Your dedication, professionalism and genuine love for children continue to inspire me every day.

You embraced our vision wholeheartedly and transformed each classroom into a place where children felt safe to dream, encouraged to question and inspired to excel.

Thank you for the countless hours spent preparing lessons, encouraging struggling learners, celebrating successes, comforting anxious hearts and quietly investing yourselves in the lives of every child entrusted to your care.

*You have not merely taught lessons—
you have shaped lives. ♥*

OUR WONDERFUL PARENTS

One of Hopespring Foundation School's greatest strengths has always been the beautiful partnership that exists between home and school. This year, that partnership grew even stronger.

Through our PTA meetings, Mothers' and Fathers' Workshops, Book Fair, school events, competitions, celebrations and daily communication, we demonstrated what is possible when parents and teachers work together with a common purpose.

Your trust, encouragement, support and willingness to journey alongside us have made an immeasurable difference in the lives of your children.

*Together, we have nurtured learners who are academically
capable, emotionally secure, socially confident
and grounded in good character. ♥*

TO OUR WONDERFUL PUPILS

Thank you for filling our school with laughter, curiosity, kindness and endless possibilities. Watching you grow continues to be one of life's greatest privileges.

You remind us every day why Hopespring Foundation School exists—to help every child discover that they are wonderfully unique and capable of extraordinary things.

As we close this academic year, I remain more convinced than ever that our mission is not simply to educate children, but to develop thoughtful leaders, compassionate citizens and confident lifelong learners who will positively influence their world.

*May we continue to build a community where every child
is known, every child is valued and every child is empowered
to become the very best version of themselves.*

Finally, I give all glory to Almighty God, whose grace, protection and faithfulness have sustained our school community throughout another successful year. His hand has guided us, strengthened us and blessed the work of our hands beyond measure.

*May Light continue to illuminate
all our paths as we nurture hearts,
inspire minds and transform lives.*

*Thank you for being part of the Hopespring family. Thank you for believing in our vision.
Thank you for walking this journey with us. ♥*

As we look ahead with renewed hope and excitement, may we continue to grow together, persevere together, reflect together and celebrate many more years of excellence together.

FROM THE HEAD TEACHER

Every great story has a beginning. Hope Spring Foundation School started in a bungalow with just six children. Today, we have grown into a large school with a thriving family of learners, housed in a magnificent edifice with spacious, modern classrooms equipped with 21st-century learning facilities.

Some of our children came with shaky steps, some with bright eyes and loud questions, and some with quiet dreams tucked in their pockets. They were seeds. We have watched them grow over the years, and we are proud to see them rise above their challenges.

Growth happens subtly and consistently. In the words of Napoleon Hill, "Strength and growth come only through continuous effort and struggle." That has been our drive in conquering complacency.

And from that steady growth, we began to see greatness

Greatness is not about being perfect. It's about being resilient, persistent, and determined — believing in ourselves and standing firm in the face of difficulty. Greatness isn't a destination you arrive at once. It's a habit you build. Keep growing. Keep serving. Keep believing that your small, daily efforts matter.

To the rest of our school family: Let this yearbook remind us that we are all still growing. And if we keep nurturing one another, greatness will never be far away.

Thank you for making Hope Spring Foundation School a place where growth is celebrated and greatness is possible.

Congratulations, Class of 2026.

The world is ready for you.

CONGRATULATORY MESSAGE

FROM THE ADMINISTRATION OFFICE

Today, we gather with hearts full of gratitude and pride as we celebrate 21 remarkable years of excellence, impact, and transformation of our beloved Nursery and Primary School. This milestone is not just a celebration of years, but a celebration of vision, dedication, and the countless lives that have been nurtured within these walls.

Our Admin team's heartfelt gratitude goes to the Proprietress, whose vision and leadership have been the backbone of this institution. To our dedicated teachers and staff, your tireless efforts have made this journey worthwhile. To our parents, thank you for trusting us with your children. And to our pupils, you are the reason we exist—you are our pride and our future.

Congratulations to our graduands, we want you to know that we are proud to have raised pupils who have gone on to excel in various fields, carrying with them the strong foundation laid here. Beyond academics, together we have built character, confidence, and integrity—qualities that define true greatness.

Happy 21st Anniversary to our great school—where growth has led us, and greatness awaits us.

Thank you and God bless.

CONGRATULATORY MESSAGE

FROM

THE PARENTS / TEACHERS ASSOCIATION

On behalf of HFS PTA (The best PTA in the whole wide world), I wish to congratulate the Hummingbird pupils who are the graduands for the 2025/2026 academic session. They did not only show determination, they as well demonstrated resilience against all distractions as children to ensure that this singular goal of a solid foundation is laid for their life journey. To the teachers who tutored them to achieve this feat, I congratulate you for making learning seamless for them even in their excesses as children. To the parents, I congratulate you for being the perfect parents you are. You have to navigate through every difficult terrain to ensure the children are brought to school everyday. Thank you for your partnership in their learning processes.

To the indefatigable, quintessential and an impeccable proprietress, I say you're indeed a phenomenon. I salute you and your team for the superb learning environment and unique management style. Your open mindedness and appreciating the uniqueness of every child has not only singled out the school and made the children to be at their best at all times, it has also endeared so many, parents and children alike to the school. I say congratulations and keep up the excellent work.

I pray that God will continue to grant all who are in the Corridor of this children academic and character development the wisdom and courage to always inculcate the right virtues that will make them ultimately the best.

Thank you.

CONGRATULATORY MESSAGE

FROM THE NURSERY SECTION

Dear Parents, Guardians, and our Brilliant Graduating Stars,

What an extraordinary, vibrant, and joyful journey this school year has been! As we close this wonderful chapter, my heart overflows with pride looking at our incredible nursery graduating class. Today, we celebrate **you**!

This remarkable journey **From Growth to Greatness** was made possible through the deliberate, loving intentionality of our teachers. From day one, our classrooms became dynamic hubs of discovery where various innovative teaching techniques and methods were brought to life. Through hands-on sensory crafts, interactive digital learning, phonic storytelling, and engaging outdoor explorations, our teachers skillfully met every child at their unique level. They didn't just teach lessons; they sparked curiosity, turning abstract numbers and letters into exciting adventures and guiding our little ones to discover their own inner greatness.

I want to express my deepest appreciation to our phenomenal nursery teachers. You are the true embodiment of the **HOPESPRING** spirit. Your boundless creativity, unwavering devotion, and the deep love and care you pour into the children every single day have watered these seeds of greatness. You have built a sanctuary where hope flows freely, ensuring that every child feels safe to try, fail, learn, and soar. Thank you for your tireless dedication to shaping these young minds.

To our wonderful friends, a massive **Congratulations!** You have worked so hard, laughed so heartily, and grown so beautifully. As you prepare to step out of the nursery section and transition into your next class, remember that you carry the spirit of Hopespring within you. We know you are going to do amazing things, and we cannot wait to see you conquer new subjects, make new friends, and continue to shine.

To our supportive parents, thank you for trusting us to nurture these seeds of greatness during their foundational years. This milestone is a celebration of our shared partnership.

Friends, as you enjoy a well-deserved holiday, remember that your journey from growth to greatness has only just begun. We wish you the absolute best of luck in your next class!

Keep shining brightly, little ones!

With all my love and blessings,

HOPESPRING FOUNDATION SCHOOL

...every child is special

Dear Hummingbirds, 

What an incredible journey it has been! We have laid a solid foundation for you to build on and excel in all domains of learning in secondary school and beyond.

We expect great things from each and every one of you, because we know that you are all special and have all it takes to be the best you can be, if you choose to.

Be of good character always. Be honest, be kind, be respectful and be brave. Let integrity be your guide in all you do. Success is sweetest when your character remains strong.

Choose to live by the dictates of your heart – not by the random opinions of others. You are created for a purpose. Listen to that inner voice that leads you to what is true, right and good.

Remember to chant the Choices Creed to yourself each day as a reminder that you all have greatness in you. Your choices today shape your future tomorrow. Choose wisely. Choose courageously. Choose excellence.

We will miss you, but we are happy to send you forth, knowing that Light will illuminate all your paths always.

FRIENDS ARE LIKE STARS

Friends are like stars up in the sky,
You don't always see them, but they're always nigh.
They laugh with you when the good times roll,
And hold your hand when you lose control.

They listen close when you need to talk,
They'll walk with you on a lonely walk.
They share your joy, they share your pain,
They're sunshine after your heavy rain.

We argue sometimes, we disagree,
But true friends always set us free.
Through thick and thin, come what may,
Good friends never walk away.

So, if you've got one, hold them tight,
Friends are the ones who make life bright.
Not by blood, but by heart we're kin,
That's where the real family begin

HOPE SPRING, AN INCLUSIVE SCHOOL

At Hope Springs, every child finds a place,
Different colors, different voices, one embrace.
No one is too quiet, no one is too loud,
Here we learn together, and we learn proudly.

The wheelchairs roll beside running feet,
Sign language dances with songs so sweet.
The child who learns slow, the child who learns fast,
All their dreams are welcome here to last.

We don't ask "Can you?" or "Are you the same?"
We ask "What's your name?" and "Join our game!"
In every classroom, in every hall,
Hope Spring means room for all.

For in our school, the seed we sow,
Is that kindness grows when everyone can grow.
Hope Spring where hearts and minds align
A home away from home
An inclusive school, where every light can shine
We believe that Hope springs even in dry seasons

2025/2026 VALEDICTORIAN

Good afternoon,
Respected Proprietress, Head Teacher, Teachers, Parents, and
my fellow graduands.

My name is Chioma Agwagom, and today I stand before you
as the 2025/2026 valedictorian.

It is a great honor to be with you, even though I did not start
this journey here. I joined you along the way, and I cannot
believe how quickly the years have gone by.

In Primary 2 and 3, I learned to solve math problems,
discovered more about science, improved my pronunciation,
and most importantly, I learned how to make friends. I will
never forget our French choir and the inter-house sports
competition. The year my club won, we worked hard as a
team to achieve our goal. Hereon, the spirit of teamwork is
one of the most important values I am taking home from this
school.

In Primary 4 and 5, things became more serious. The subjects
were tougher, the competition questions were harder, and
our homework load increased, but our teachers taught us
more than academics. They taught us the values behind
every lesson. It stopped being just about books.

The four years I have spent in this great institution have
shaped who I am today.

To my teachers, thank you for your patience, your
guidance, and your corrections.

To my parents, thank you for your sacrifice. Thank
you for waking up early to prepare my siblings and
myself for school. You are the best, I salute your
dedication. I love you, Mom and Dad.

Ultimately, to all my friends, let us hold all the
amazing memories we made close to our hearts,
and let us always laugh about them when we
remember our time together.

Thank you, and God bless you all.

CHIOMA AGWAGOM

Thank you, for being there with us in the celebration of
Hopespring Foundation School's 2026 Graduation.
